## REFLECTION OF THE PASSED YEAR

Dear Parents,

As the end of the school year approaches, it is the perfect time to reflect on the year that has passed by - it has passed by so fast!!! We had such an amazing year here at Street 10! We started with only one class in August - the Yellow Kiddies group - with only a few children and we have now grown to two different age group classes: the Yellow Kiddies group - where most of the children are now enrolled for a full day program - and the Red Big Kids group! How exciting!

In April, some of the older children from the Yellow group (who were ready for the challenge) moved together with Ms. Kasia to the Red room where they slowly started with a "big kids' routine"! We have been happily surprised to see how fast the children picked up on the new "big kids' habits" and the boost in their confidence and development it has produced! I remember visiting the Big Kids' class a few times when they had just recently moved up and I was told by a few children: "Ms. Chloe, that's not how we do things in the Big Kids! Let me show you..." Fortunately, we have kind little helpers at SmartKids!!!

This change has also positively affected the children from the Yellow group, where a few new children joined and the older remaining children from the group now have a turn at becoming the little leaders of the class.

Our entire SmartKids' team - from our teaching staff who works directly with the children to our guards that work around them from a distance - is continuously trying their best to provide a friendly, safe, positive and child centered environment where the children can grow happily and in confidence to the best of their potential.

It has been a privilege to have seen and be part of your children's development and well being. I wish you a wonderful summer holiday and I am looking forward to seeing you again in August!
