On the Farm

Corbin is making a goat for our farm.

This term we have been thinking a lot about animals - the sounds they make, how they feel when we touch them and also what animals give us taste. In sensory play, the children explored cows in milk and pigs in mud. But their favourite thing was to play, "Who's the chicken?!" where one child had to sit on an egg while another child had to guess who had it. In our

farm topic, the children also learnt about what the farmer grows for us to eat and grew some rice ourselves

Pigs in the mud

Jasper, Miley and Philip put their horses into the farm as we get to their verse of 'Old MacDonald'.

Cooling down after the hunt was great fun!!!!

I am big, strong and in control!

Itto is stretching his neck and chest to be like a cat.

Following our yoga practise to help us get control of our emotions last term, the yellow group kids have carried on some yoga activities with enthusiasm and are showing a lot of physical control as well now! During our pet theme, the children practised balancing, stretching and coordinating their body

Altogether! The Dog pose above, and the cat pose below.

"How much is that doggy?" - the current favourite!

How much is that doggy in the window? Woof Woof!

The one with the waggly tail.

I do hope that Doggy's for sale!"

through creating different animal poses by looking at photographs of each one. Turn the page to see some more great poses!

Gripping with our toes to balance like a parrot.

In control continued...

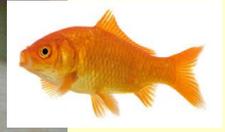

Corbin balances as a hamster,

Silvana stretches her back like a bunny!

Bond and Jasper stretch their tummies, balancing on their shoulders and feet, and using strong legs to make a fish shape.

Ella practises the dog pose

Liliana stretching like a cat.

Philipp is gripping with his toes to balance as he leans forward to soar like a Parrot.

And then a big stretch and deep breath to calm down.

A visit from Rocksy

Meeting Rocksy. We sat so nicely!

Ms Kasia's dog Rocksy came to visit our class and we had a great time.

The children were so confident to stroke the dog and some even played tug of war with a rope toy.

The children walked Rocksy around the playground, taking it in turns to hold the leash. Then we learnt about what she needs to be healthy and gave her water to drink and food to eat. Her favourite treat is ice though, and it was fun to hear the crunching sounds as she chewed the ice cube.

From this fun morning, the children learnt about respecting and caring for other living things and being considerate of other's feelings. They used quiet voices and gentle hands so they did not scare Rocksy.

Elise and Myeisha play tug of war.
