Yellow Group News!

November 2016

Old friends, New friends

Harri settling in.

We've had a great start to the year! We have welcomed some new friends to the group. Sara joined us at the beginning of the year, and Alex followed on shortly after. After the October break we also welcomed Harri-Rhys. The kids have settled so well and are playing together nicely as a group.

Alex enjoying dancing with his friends.

Well done Miley, Jasper and Liliana! We'll miss you!

This term, we've said a little goodbye to Jasper, Liliana and Miley as they have moved on to Big Kids. What an exciting new adventure for them!

Wilson enjoys our new song and Davide became the dinosaur we had made!

Caves, Volcanoes, Dinosaurs and Dragons.

This year, our classroom theme is caves, volcanoes, dragons and dinosaurs. The children engaged so well with this theme and have had so much fun. It's great for the children's self-esteem to really take ownership of the class by decorating it themselves. Doesn't it look great?

Zac makes a cave for his family to live in.

"5 Dinosaurs Went Out to Play!"

"5 Dinosaurs went out to play,
On a bright and sunny day.
They had such enormous fun,
That they called for another dinosaur to come...
DINOSAUR!"

Liliana, Jasper and Wilson enjoy the reading cave we have made.

Amandine and Sophie draw on the cave wall just like real cave people!

Our classroom theme continued...

Miley and Leyna paint our dinosaur diorama

Our hot lava shooting out to show which month our birthdays are!

Ella and Zac paint our volcano!

The finished product! Everybody did such a great job!

Putting in the ingredients to make our lava

After the amazing eruption! Isn't it awesome!?

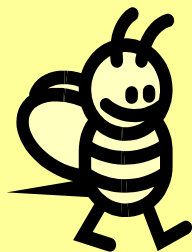

All about me

As we begin our "All about me" topic, we are thinking about families and who lives in our home. Recognising who they belong to and who belongs to them helps children feel secure.

Having photos of family around, helps children development an important part of their attachment as they are reminded of Mummy or Daddy, but learn to be able to think about them without becoming upset when they are not there.

Bento is learning about faces!

Mid Autumn Festival
