

Red Group's News

James

Julia

Bond

Huy weighing himself.

Sophie, Huy and Bao cutting out tree shapes.

Clara, Wilson, Soshi, Long, Jay and Huy all doing a great job tearing and sticking blue paper to make the sea.

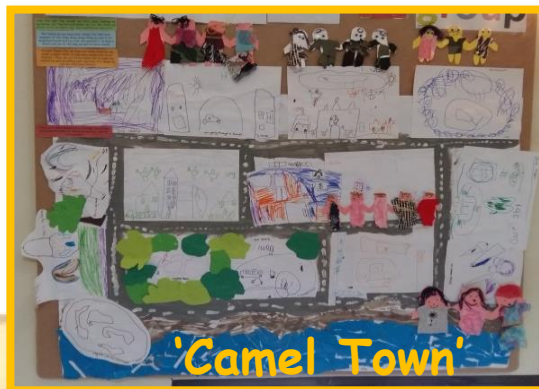

We finished last year saying a sad farewell to James, Bond and Julia, who we would like to wish well at their new schools. Though we started this year excitingly welcoming Dan from the Yellow Group and Hung and Jorrin who have moved up from the Green Group.

Term two is all about our wonderful world.

First, we asked, What is our world? We started by looking at ourselves and found out all sorts of interesting facts e.g.. how tall we are, how much we weigh, etc. Which helped develop our knowledge and understanding.

Next we looked at our families. We discussed the different members in a family and then made beautiful paper doll family chain of own immediate family members.

After that, we looked at our neighbourhood, and where we live. We all live in Ho Chi Minh City, but in different districts. We looked at recognisable buildings we have all seen around town. Then we brainstormed and made our very own town/ neighbourhood, 'Camel Town'

Dan

Hung

Jorrin

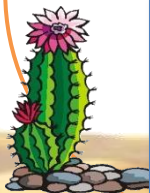

Long and Maxi measuring Sophie.

Maxi, Liliana and Long doing the final touch up to their buildings.

Dan, Hung and Jorrin sprinkling sand on to the beach.

Jorrin, Bento and Faye mastering the stick game. Thank you for helping hold the sticks
Liliana

Soshi carefully tracing Vietnam using a light box.

Jorrin and Clara using their imagination to design and decorate their very own mini Ao Dai!

We are currently learning about Vietnam, the country we all live in.

We learnt about its neighbouring countries, and their flags. its National flower, how to play the stick game and have had a lot of fun trying and making different Vietnamese foods.

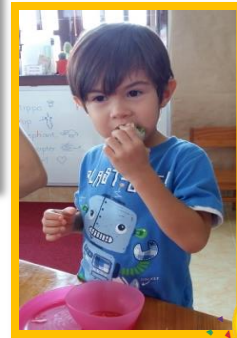

WOW! Liliana, Huy and Soshi developing their finger manipulation by quilling lotuses

Ms Men explaining to Faye, Jay, Maxi and Hung, how to make a fresh spring roll. This helps us to develop and remember step by step instructions and follow them.

Wilson thinks they are yummy!

Bao making his Banh Mi

Maxi having fun making his bowl of Pho on the sensory table.

Great job squeezing the glue foam Mai and Dao flowers on to the windows ☺ Bento and Sophie.

Look at Long and Dan so excited about celebrating their birthdays in January

We are excited about TET and the Dragon dance at Tran Ngoc Dien. In preparation we are decorating our windows with Mai and Dan flowers and learning the story of the Tet animals!
