Year 10, Issue 3

IT IS ALMOST THE END OF THE SCHOOL YEAR!!!

Dear Parents,

We have had a wonderful and eventful year at SmartKids Street 10 and it has passed by so fast!

As we are reflecting on the year, we can only feel privileged to have been part of your child's well-being and growth in all areas of their development!

As you have been informed some of our treasured teachers are leaving at the end of the school year. Even though it is sad to say goodbye, we are also taking this opportunity to teach children about change - moving to another country, to a big school - for them to be emotionally and mentally ready and learn how to cope with these situations in a nice way.

Our new teachers will be introduced to the children and join their future class towards the end of the school year, to guarantee a smooth transition for everyone.

You will soon receive your child's end of year report, which will describe their development throughout their time at SmartKids this year. We hope you will enjoy reading it and that the targets will be followed up at home over the holiday as well!

I wish you a wonderful summer holiday - only a few more weeks to go before summer - and I am looking forward to seeing you again at the summer camp or in August for more adventures!
