

Red Group's News

We all could fit into the sole of the largest shoe in the world, made in the Philippines.

We learnt the birdy dance and that the Easter bunny originally came from Germany.

Careful chipping out that dinosaur from the ice, Jay!

Great Statue of Liberty, made out of recycled goods, Wilson!

Maxi and Bao making our dino egg mixture.

Over the last term we have been very busy learning all about our wonderful world, the countries we come from and which continent it is found in. Dinosaurs have also been a HUGE part of our theme! We have learnt about what the earth looked like when they were around and which continent we would have found them on if they were still alive today. We discovered why they became extinct after a big meteor hit the earth, triggering off earthquakes and volcanoes. We became paleontologists, making dinosaur eggs and then digging out the dinosaurs out of their eggs and ice blocks.

Soshi and Liliana having an intense game of sock hockey between USA and Canada.

Huy molding his egg

Faye and Bento digging out their eggs

Jorin building a Dyke wall, from Holland.

Clara painting our volcano.

Sophie and Long super excited that our volcano experiment worked, using vinegar and bicarbonate of soda.

Thank you!

What a cool dinosaur Soshi, that you built by yourself out of Lego.

To finish off the last term we celebrated with our International day! We can not thank all the parents who joined in and took part enough. You did an amazing job! We had so much fun ☺

Let us know when you will be leaving, as we want to arrange our end of year party and wouldn't want any of you to miss it.

Also if you are keen to join our Summer Camp program please let us know as soon as possible too.

During the month of March we celebrated Huy and Jay's birthdays, by playing musical spots and hide and seek. Later this month we will celebrate Jorrin's birthday ☺

The end of this term will bring a lot of changes for the Big Kids. As you know, I am leaving to head off on a new adventure in Switzerland, after 4 amazing years working at SmartKids.

I would like to thank you all for making my time as the Big Kids teacher so wonderful and trusting me to look after and nurture your wonderful children who have all made my time here so special.

It is not just me who is leaving, we will also say goodbye to our friends who are heading off to big schools and Ms Men who will leave for a short time to her baby ☺

We will make sure the transition is smooth and that we will talk about and prepare all the children for the next year. The children who will move to their new big school next year will also get to visit their school with me at the end of May.

Ms Men and Ms Chloë
