

Yellow Group News

Ms. Irene, Ms. Uyen and Ms. Anh

May 2018

The Yellow Group had an exciting time over the last couple of months with various fun-filled activities, events and celebrations such as TET and Easter.

The theme in term 2 was about our "Wonderful World" and each week we had a great time exploring the different countries where the children are from! This has helped build our knowledge and understanding of our world and to appreciate the different cultures that we have. We also celebrated such diversities on International Day at Street 10 in April! We have also said goodbye to Sara in March as she returned to Japan and welcomed four new children (Ruby, Quan, Vivian and Sam) to our class in March and April. They have settled beautifully into our class and are great additions to our group!

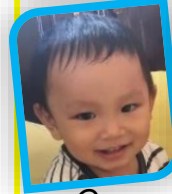

We also said "goodbye" to Ms Chloe and the transition was very smooth as the children had enough time with both of us in the class before she left.

After we talked about Vietnam where we live in January, we talked and celebrated TET in February. We enjoyed watching the lions and the dragon dance to the sound of the loud drum at our Tran Ngoc Dien location!

Francesca and Artur, making Li Xi (lucky money envelopes)

Leyna and Sheila, sticking Tet Flowers onto the branches!

Doeke, painting and sticking the Dragon's body together!

We took a picture with the lions and dragon!!!

Rina was playing the cymbals for Joylie to dance!!!

Ruby, making her bunny headband.

Artur and Quan drew and dyed their Easter eggs!!

We looked high and low to hunt for Easter eggs together with our friends. Yippee, I found it!!!!

We loved to move like bunnies to the song "This is the way the Bunny hops"

In March, we enjoyed talking and exploring Easter, dancing to bunny songs and hunting for our Easter eggs!!

Rina,  tracing a beaver from Canada using the light box.

Over the last couple of months each week, we loved exploring the different countries where the children are from!
