

News from the Yellow Group!

June 2012

Our term has been full of new experiences and learning about our world!

Chez Hai.

After Easter, we learned about farmers and cowboys/girls. Yee-hah! We continued with our job theme and focused on people in our neighborhood. The Yellow Group had a restaurant full of chefs chopping and mixing rice, vegetables, beans, and noodles.

We even did the dishes afterwards!

Then we had a Crazy Hair Day with quite a few never-before-seen styles.

Amy in 3D

Ms. Jasmin's creation!

We ended with a car wash and everyone in their swimsuits, which made it more fun to splash around! Our next topic was transportation. Mr. Det, one of the guards, showed us how to repair a bicycle.

Ms. Trang helped, too!

We also learned about some transport specific to Vietnam and went on a cyclo ride! In the compound we saw builders and big trucks!

Mr. Nghia was so friendly!

Then we learned about sailboats and how the wind makes them move. We sang the Beatles' "Yellow Submarine" song—now a popular request—and made our oceans with kelp, submarines, fish and hair gel!

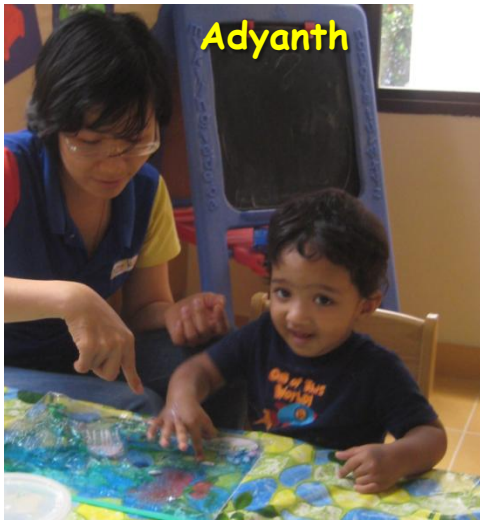

We learned about airplanes and weather and then about space and nighttime. We will be ending on the theme of clothes. Even Ms. Katy has learned new things; she has just been certified to teach children's yoga.

Term 3 has also been full of celebrations, such as Mother's Day! We've also had several birthdays: Hai has turned 2, Hugo has turned 3, and Ms. Katy has also...gotten older.

We liked drawing in the shaving foam!

Adyanth

Some children will be moving up to the Big Kids: Kelvin, Matteo, and Amy will go to the Red Group together.

Deputy Kelvin stops speeders.

Sometimes books are for reading. Sometimes they make good shells for turtles!

We've welcomed a new member to our class, Adyanth, from India.

Tea time with Eliot.

We will be having our end of the year party on Wednesday, June 20th. Come join us here at Thao Dien for Circle Time and then for an outdoor fair with face painting and games!

Then we will say goodbye to some of our friends. Kali, Kieran, and Myra will be going to different schools. Hugo, Stijn, and Niels will be moving to different countries.

Have a great summer and enjoy the rest of our school year! Until next time, Ms. Katy, Ms. Jasmin, Ms. Trang, and Ms. Nhien
