

THE GREEN GROUP NEWSLETTER

June 2013

Look at what we've been up to in the Green Group !!!

Happy Easter everyone !!!

In April, we celebrated Easter.
We made a nice chick using a paper cup & we painted and decorated our own Easter eggs too !!!
We've also made a nice basket and we went on an Easter egg hunt around the classroom...

Have you got your baskets ready ? Let's go !!!

Fun way to say goodbye

Before going back to Switzerland ,Luciano brought a piñata to school !!! We all had a go at hitting it and at trying to break it !!! This was such a fun game which required a lot of focus and hand eye coordination skills. It was also a nice and fun way for us all to say goodbye to Luciano ...

Ms Yoko,
Ms Tifa &
Ms Linh aslo

piñata

I love you Mommy We love our mommies all year long but in May, we made nice picture frames as presents to make them feel extra special ! We first cut nice colored crepe paper with scissors & we stuck it all on clear sticky paper with a "mommy & me" photo !!! We were very proud of our little creations...

Our Art Auction piece - the Nature

We all worked together to create this piece in order to raise funds for an orphanage !! We first painted the background with our hands & feet, then we used different materials & skills to create flowers, trees, a sun...

A word from Ms. Milette

It has been a wonderful start for me in the Green Group!
My encounter with each child and the whole group is something that I look forward to everyday. It's such a joy and a reward seeing how excited and interested the children are as I introduce new songs and games and activities like dancing and kids' yoga. This only shows how motivated they are in this learning environment and how open and ready they are to new challenges which is good for their holistic development.
I am grateful to have this kind of transition in the group and I'm happy for the warm welcome I received from the children and as well as from the parents.

I am looking forward to more exciting experiences in the next school year!

It is time for me (Ms. Chloe) to say goodbye to the Green Group as I am going for a new challenge as the new location manager at Smartkids Street 10 ! I will cherish all the memories we have made this year: we had an amazing time helping & watching your children grow healthily & to the full of their potential !! I'm happy to know that the class is in good hands with Ms. Milette in charge. The transition between us has been smooth and the children have all warmed up to her very quickly.

We wish you all a wonderful summer and look forward to seeing you again in August. We will say goodbye to some of our friends: Marlon, Tu, and Minh who will move to the Big Kids classes! And Elizabeth, Alua and Chiara will go to different schools!

Thank you for entrusting your precious children with us at Smartkids. See you soon.
