

News from the Red Group

June 2013

Time flew by this year, and it's already time to say good-bye... But first, let's have a look at our third term!!

We talked about landscapes and volcanoes. For the occasion, we created our own volcanoes!

For International Day on March 1st, we all looked our best! And parents prepared a great international buffet for us. Yummy!

When means of transportation came to the Red Group, we played with helicopters we did ourselves!

We also talked about Environment and the Three Rs: reduce, reuse (as with our music instruments) and recycle (Matteo is showing us how to do it)

For Easter, we went for a treasure-pirate-egg hunt, with a real map to help us. That was so much fun!

In Smartkids, we believe that creativity is very important: our Art Auction event was a proof of that. Artistic activities are a fantastic way to work on colours, textures, fine motor skills... But it's also a way for The children to express themselves. This is why in the Red Group, we were creative!

This is the last newsletter for the Red Group for a little while. Ms Hanh and myself will go to the Blue Group in Tran Ngoc Dien, and the children who stay one more year in Smartkids will join Ms Monique and Ms Thanh next year. It has been a tremendous pleasure to share this year with children and parents of the Red Group. Thank you for all the trust and help you gave us, and we wish you a wonderful holiday!

Warmest regards

Ms Viviane & Ms Hanh
