May 2015 Newsletter

We've been very busy since our last newsletter!

We finished up our farm theme after learning about different animals, the farmer, and what grows on the farm. We read many books and learned what we get from some of the animals, e.g. milk from the cow and wool from the sheep. We also looked at crops and vegetables that grow on the farm.

We planted our very own seeds.

Bao playing on the farm the Yellow Group made together.

We talked about the farmer and all the hard work he does taking care of the animals and planting crops too. We were lucky to have a toy tractor at SmartKids which we all took turns on and learned this is a vehicle used on the farm.

Playing with pigs in mud!

We learned that seeds need water, air and sun to grow. Together we planted our own seeds. We gave them water everyday and watched them get taller. We were very excited to see how big they grew!!!!

With Easter upon us we looked at chicks and learned that they hatch from eggs. We made our own chicks and painted eggs for our 'Egg Hunt'.

Getting ready for our Easter egg hunt!!!

We all had lots of fun on our Easter egg hunt!!! We made our very own baskets and used them to collect the eggs!! Some of the eggs were well hidden and tricky to find but we all found them in the end. Later we went back to class and counted all the eggs we found!!!

Other News!!!!

Since the last newsletter we have sadly said goodbye to Samarth, Samyuktha and Minh. We have also had some new friends join the Yellow Group, we would like to welcome Yi Chi, Scarlett, Ayn, Eliana and Isabella!!! It is great to see our class grow.

It is hard to believe we are already in the last term of the school year, it has gone by so quickly.

Our last day is June 17th, we will be planning an end of year party and will let you know the details.

Thanks again for your support!!

Ms. Shelley, Ms. Uyen and Ms. Elvie
