

Thao Dien Talk

10 years SMARTKIDS

I can't believe that on the 1st of Oct. we celebrated our 10th birthday; time flies! We started in 2006 in our Thao Dien location with 2 children. Currently we have around 125 children divided over 3 locations.

In the mean time we have started programs like After School Activities in English and Vietnamese, a Parent Child Group 3 times a week, an English Language Centre and we are regularly holding parent information evenings about all kinds of early child hood and first time parent topics.

I want to thank you for all your support and making the SmartKids birthday a great day to remember!

Parent teacher meetings will be available from the 16th Nov. to the 23rd Nov.

This is a good opportunity to hear from your child's teacher how your child is developing in SmartKids.

It's also a time to ask any questions or advice about your child's development.

Watch the signing-in sheets on your child's classroom door or on the class notice board.

These meetings are without children. It's not appropriate that your child plays in the class while you are having a meeting with the teacher. Please arrange a baby sitter!!!!

After School Activities (VNse & English)

We are still offering After School Activities in **Vietnamese** on Monday in our Street 10 location. Our **English** After School Activities are on Tuesday in Street 55 and Thursday in Street 10. These activities are for children from 3 to 6 years old and especially suitable for Kiddies who might move up to Big Kids in the near future.

Our teachers plan a lot of interesting activities that differ each week; from art and craft, science, music and dance to physical activities, yoga and cooking.
