- My Senses
- Mid Autumn Festival
- My Family
- My School
- My Pets

VOLUME 1, ISSUE 1

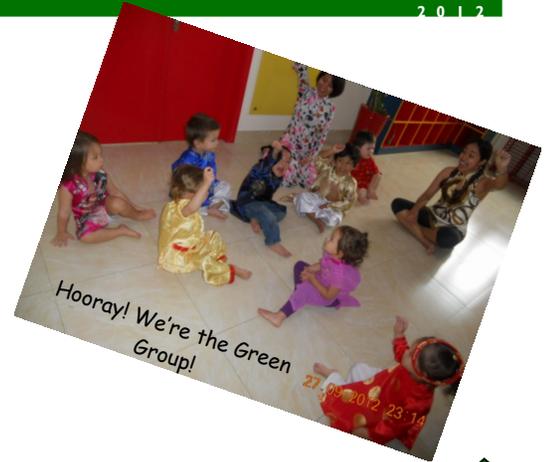

NOVEMBER 2012

A Great Start

We've had a wonderful start to the year in the Green Group. The children have settled in so well and are learning and growing everyday. It's been a busy term with lots of new

friends and we've been really proud of how well the children have handled the changes.

This term has been a term full of music and dancing. We've loved learning all about ourselves through movement and songs. Celebrating the Moon

Hooray! We're the Green Group!

Leonor, Henry and Bailey enjoying music at circle time

festival together was great fun and a wonderful chance to dance and play with our friends in the yellow group too.

Didn't we look wonderful in our Ao Dai's? Read on to find out more about how we've been learning and developing together!

Who's in Green Group?

- Ms Kasia,
- Ms Kristina
- Ms Laney
- Ms Phuong
- Bailey
- Bastian
- Conrad
- David
- Henry
- Kate
- Khang
- Leonor
- Myla
- Nicolas
- Pranav
- Sebastian

My Little World - Me, My family & My School

At the beginning of term we were thinking about ourselves: our faces, our bodies, what we like, what we can do and what we enjoy. We became more and more confident as

we got to know ourselves and our bodies and did lots of physical activity.

Bailey leaps with her whole body

Part of getting to know ourselves is learning about our group and our friends. We helped each other get dressed and helped our friends on an obstacle course.

Kate helps David on an obstacle course

Learning about our family and our school, all the children had an opportunity to share a family photo with their friends.

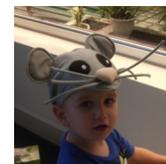

Sebby and Henry paint a blue classroom for our Smartkids.

Nicolas helps his pet chicken to eat.

They were so proud standing up at circle time and telling everyone who is in their family!

Pranav and Henry - our pet mice!

Exploring with our senses

Leonor and Khang explore the school using their binoculars to help them see with their eyes!

I've had such a wonderful

time playing with this lovely group. We've had lots of smiles, giggles and cuddles. It has been a privilege to help the Green Group settle in and prepare for an exciting rest of the year with Ms Ulrikka! Have a great year everyone! See you all soon!

What can you see inside our glitter bottles, Conrad?

Everybody in Green Group really enjoyed learning about the senses! It was great fun experiencing new feelings and sensations. We tried food we'd never tried before and listened

to sounds to guess what they were.

Making perfume for our Mummies gave us a chance to feel, smell, see and hear all at once!

Ask us to sing our favourite senses song at home!

David, what can you hear?

Kate, What can you smell?

Myla and Bastian take part in a tasting game

"I use my eyes for looking and I use my ears for listening,

And I use my mouth for tasting something good!

I use my nose for smelling and I use my hands for touching.

These are my five senses they're so good!"

Exciting Changes

Over the next few weeks there are going to be some exciting changes happening in the Green Group. As we head towards the end of term we start to think about children moving on to the big kids. Some of the older children in Green Group will begin

preparing for this change and the younger children will have a chance to be the big boys and girls in the Green Group.

And finally, we will welcome Ms Ulrikka into the class as she begins to make the transition to be the new teacher for the Green Group. I am sad to say goodbye but so excited for the Green Group to enter this new phase!

Thank you everyone for a great term!
