

# Hello! From the Yellow Group Friends

Ms. Nikki, Ms. Vy, Ms. Nicole, Ms. Jasmine

May 2012

Hello again! The third term has proved to be a fantastic one so far, filled with fun, discovery, new friends and laughter!

Getting to know each other and become great friends took no time at all! The children are settling in so well, and becoming more and more adjusted to their new environment every day.

Our theme focus this term was Responsibility. We all got different "jobs" like counting our friends, doing the weather chart and being line leader. We also learned how to be responsible towards others by being gentle, taking turns, and sharing. Some of our other themes this term were: Jobs, Construction, Transport, and Clothes.

Flour Play!  
All aboard the "choo-choo" train!!

Our jobs theme was a big hit! The children loved dressing up as doctors, pilots and chefs! We got really creative, exploring different textures like glue, pasta, cotton and a variety of other materials! We even made our own pizza one day (which some of us couldn't help but eat right away!)

Over the last few weeks we've also had some new additions to our class, both children and assistants. We recently welcomed Marja, Zoe, Luna, Christian, Thien Bao, Liam and Yanika to our class, and already it feels as though they've always been a part of the Yellow Group friends!

Ms Jasmin has also joined our growing group, and we are so pleased to have her on our team!

Marja

Luna

Christian

Zoe

Thien Bao

Liam

Yanika

We are growing quickly and it has been lovely to see how all the children have welcomed each other, and are already developing special friendships.

The home corner is a favourite in the Yellow Group! We even painted some houses to add to our home corner!!

Thank you very much to all the parents for your support and communication! And congratulations on getting through the first goodbyes (we all know how tough they can be)! It has been great getting to know you all, and I absolutely love discovering new and amazing things with your children!

Until the next time, we look forward to laughing, discovering, playing and exploring!
