

# Hello from the Yellow Group!

We have had such a busy first term in Yellow Group. We have welcomed lots of new friends this year, have spent the last few weeks doing lots of fun activities with our Green Group friends, and now we're ready for the big move to Green Group with Ms Cathy!

## Who is in Yellow Group??

Hoang

Noah

We started off the term by decorating the classroom in our Farm theme. This involved lots of group art and activities, which helped us to get to know each other.

Simon

Asia

Loui

Yasmine

**Moon Festival**  
We celebrated the Mid Autumn Festival together with the Green Group!

Vincent

Soga

We did lots of fun group activities, which helped us to build our confidence and learn to play nicely together.

# All About Me!!

This term we have been learning all about me, my family and my friends! This has involved lots of physical and sensory activities as well as crafts and activities based around body awareness, sharing and working together. See what we've been doing!!

# "Show and Tell" Fridays

"Show and Tell" helps to develop our confidence and our skills at speaking, listening and taking turns.

## SmartKids 8<sup>th</sup> Birthday

We all worked together to make a present for Ms Yoko.

## Saying Goodbye

It has been so great working with SmartKids and getting to know all your wonderful children. The children have done so well with the transition into the Green Group with Ms Cathy and I know that they will really enjoy their time with her. Wishing you all the best, Ms Naomi.
