

Green Group Newsletter

June 2014

It has been a very busy term for the Green group!
In March, we welcomed Ms Cathy, our new teacher,
and said goodbye to Ms Ulrikka who left to have her baby.

We also welcomed three new friends:

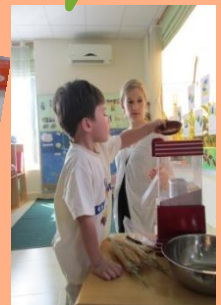

Matthew, Reynolds and Martin .

We have talked about farms and where our food comes from,
our community and the jobs people do to help us, buildings,
and finally we will end the year with activities about the
World Cup (football/soccer).

Time is flying by and the school year is coming to an end!

Thank you all for a great year and I can't wait to see you again next year.

The rest of the term we will have fun with the World Cup. We will also talk about changes "what" will happen and "where" each of us will go over the holidays and in the new school year. Children can find it difficult to cope with changes and need to be supported and prepared for a smooth transition.

Thank you for your support and we wish you a lovely summer holiday!
