

Hello from the Yellow Group!

March 2014

We have had a great couple of months in the Yellow Group! We learnt about many different holidays such as Thanksgiving, Hanukkah, St. Nicholas Day, Christmas and Tet. We have also welcomed some new friends and said good-bye to others.

Philippa

For **Hanukkah**, we learnt about a special candle holder called a Menorah, and we cooked potato pancakes called latkes! Yum!

Philippa's mum visited and taught us about **St Nicholas Day**! Now we know how to polish our shoes. Thanks Tanja!

Christmas

We worked hard to decorate our room and make crafts to get ready for Santa! When he came we had a big party with our parents!

February was all about big and little things! First we talked about measuring things, then we talked about how we were once small and now we are big!
