

Another year nearly gone!!!

The year is passing by so quickly, especially if we look back at the progress all (y)our children are making term after term - and yes this SmartKids year is ending soon.

Next year we will celebrate on the 1st of October already our 10th birthday!! Please mark this date in your diary as we will have a celebration with staff, parents and children!

For now, everyone is preparing and thinking about the summer holiday - if you would like your child to keep up with the SmartKids rhythm, please consider enrolling him/her in our 5 weeks SUMMERCAMP program (you can enrol per week from 27th June to 29th July) - see next page!

SmartKids has started its

Enrolments are now open for August. The classes are for young children with limited or no English background (who might be during the day in a non-English language school).

The children will be immersed in an English "language bath" amongst other international peers, in a play-based environment and will learn to speak English in a short time.

The programs (3-6 years or 6-12 years) are supported with international recognized teaching / study materials to further enhance the English as a Second Language (ESL) program.

You can also enrol your child to these classes as alternative AFTER-SCHOOL-ACTIVITIES.

Check out <http://www.smartkids.edu.vn/>

The new SmartKids year starts on the 15th of August.

On the 12th of August we have a coffee/play morning from 09.00 to 11.00 for all parents and their children. Note on your calendar!!

From August on, we will have in all our 3 locations - 2 Kiddies classes and 1 Big Kids class. If you have any friends who would like to enrol their child(ren) in SmartKids, please let them know that enrolments are going fast. For new enrolments / extended programs contact the location manager.

AFTER-SCHOOL-ACTIVITIES (from 15:15 to 16:45) for children from 3 to 6 years old. Good for older "Kiddies" to get used to "BigKids" groups and play-based "BigKids" activities.

We are running our afterschool activities in all 3 locations, for children from 3- 6 years old. On Tuesday in Thao Dien, Wednesday in Tran Ngoc Dien and Thursday in Street 10. The groups are small and it is a nice opportunity for your child to enjoy different activities with different friends. The activities include: arts, physical exercise, yoga, music, science, social games, cooking, etc.

On Monday's we offer afterschool activities in Vietnamese, in our Street 10 location; for parents who want their child to learn some Vietnamese (taught by a native Vietnamese teacher).

Let's Explore & Discover the World

Summer Camp
