We have been learning the story of the Three Little Pigs!

We dressed up as the big, bad wolf when learning about heavy and light. We huffed and puffed to see if we could move objects by blowing on them. Making predictions about if the objects would move is good for developing critical thinking!

Sensory play in 'mud' with the pigs and the big, bad wolf! Exploring new textures and getting messy is so much fun!

We explored the different textures from the book and made a straw, stick and brick house! We also had great fun using the houses to retell the story ourselves.

We would like to introduce our new Green Group friends...

We will be having an end of year party in the Green Group in **June** and would like to invite all the parents to join! The children will receive their portfolios which contain lots of photos and their beautiful artwork! Further details to come later 😊

The Easter Bunny visited us at SmartKids! We think he must have come when we were eating our snack because we never saw him, but he hid lots of eggs in the garden for us to find! We each made our own bunny ears and basket to put the eggs in!

Working in an international environment often means that people regularly come and go. We are so sad to say goodbye to Ms. Doris and Ms. Ngoc. Ms. Doris' will return to Austria to have her baby in August, and Ms. Ngoc is leaving for health reasons. We will miss them so much, but wish them the best of luck and are thankful for all of their fantastic work!

### A note from Ms. Daisy...

Hello! My name is Ms. Daisy.

I've been working in SmartKids Street 10 since November. I've been helping in the Green Group for the last few weeks and will continue to do so until the end of the school year. I will be opening the Yellow Group in August 2016. My Yellow Group friends and I will begin by settling in Green Group and will then move over to our own classroom once we have enough friends. I am very excited about this new adventure and can't wait to get started!

Thank you for your continued support throughout the year!  
Have a brilliant summer ☺
