

Blue Group News

Ms. Carol & Ms. Kristina - May 2018

SmartKids' 1st International Day was the highlight of term 2. The children had a chance to learn more about the many diverse countries & cultures that make up our community while tasting different foods, playing traditional games and exploring traditional clothing & objects. A BIG thank you to the Blue Group parents below for all their help in putting this event together! ☺

Happy International Day!

It was lots of fun taking photos at the French stand set up by Lou-Anh's & Amandine's mum

We learnt all about Israel at the stand which Zach's mum put together!

The children had a blast playing a traditional Japanese game with water balloons organized by Kotaro's & Sotaro's mum

We had yummy treats at the Vietnamese stand organized by Y-Vi's & Amy's mum

We all loved learning more about the USA & getting face painting at the stand set up by River's mum

Look at what we've been up to...

In addition to learning about many countries through the topic 'Wonderful World', the children in the Blue Group have been busy playing, exploring & having lots of fun in the many different areas of the classroom, and outdoors too!

Farewell...

It's time to say goodbye to some children who will move to Primary School or to a different country. We wish these friends & their families the best of luck! As I will also be leaving SK & Vietnam, I would like to thank all parents for your constant support and cooperation. I will never forget the amazing time I had in this beautiful country and at SK! Farewell to all! ☺
