LEARNING ABOUT DIFFERENT COUNTRIES

Making a Swiss 'cheese fondue'

SNAP SHOTS FROM THE PAST TERM

Our Wonderful World

We enjoyed looking at the different countries we all come from, celebrating our individuality, as well as acknowledging and accepting our friends for who they are too. The highlight of this theme was definitely our International Day where some parents from Kiddies and Big Kids came together to share special traditions/information about their country.

Making 'wind power' - like in Denmark

Moulding the
Slovakian Mountains

Threading a baseball - a
popular sport in America

INTERNATIONAL DAY

Spring and Easter

We had a short discussion about Spring and Easter - we had lots of fun painting eggs, making nests out of salt dough and natural materials and planting seeds in eggs (to name a few!).

Painting eggs

Making bird nests

Planting seeds for
spring

Exploring colours dying
egg shaped cotton balls

EASTER EGG HUNT

"Our Fantastic Futures"

We have reached the last stretch of the school year and so it is only natural to reflect and see how far each child has come. We have seen them all grow in their various developmental areas and independence, and thus gain confidence in who they are. It is an exciting and often emotional time of year where we now look forward to our futures and what lies ahead for each child individually. This might be with SmartKids, in another country, or at a different school, but wherever our 'Fantastic Futures' take us, we are still all connected by our 'Wonderful World'. Over the next few weeks we will be talking about our world and the importance to sustain and look after it as it is our future, and from there we will discuss the different paths the different children will be heading, as some will be moving away or to different schools.

We are all growing so much!

We've said hello to...

We love playing with our friends!

Colin

Alyssa

Jennifer

Lam Anh

Swimming is always fun - but with bad air quality, we need to make a plan...

Thank You!

As the school year is coming to an end, we would like to thank you all for your involvement and support this past year. It has been a privilege building relationships and working with all of you. We look forward to the last few weeks and sharing some more special memories. We wish you all the best for the next school year, wherever your 'Fantastic Futures' may be!

Looking back at our past year and all our creations and memories in our portfolios

Dates:

Last day of SmartKids: 20th June
Start of new school year: 20th August.
End of Year Party: This will be in June.
Please let us know if you are going away early for the summer so that we can find a date most suitable for this event.
