

Parent Child Group

**VND 100.000
per session**

The SmartKids Parent-Child Group is a child-friendly place to meet other parents with young children. SmartKids provides an informal, exciting play environment with opportunities for you and your child to take part in a range of activities (music, dance, arts and crafts etc). Facilitated by an early childhood specialist, parents can join in conversations about all aspects of early childhood (child development, nutrition, tantrums, diseases, etc.) Parents can benefit from other parents experience, practice and advice. Share the challenging stages of parenthood and let your child grow and develop amongst peers, while making valuable friendships!

The group is open to children from 1-3 years old, accompanied by parents or other adult family members (not nannies). Refreshments are provided at each session for parents and children.

Every Tuesday, Wednesday, Thursday from 08:30-10:00
SmartKids Street 10 - Thao Dien- D2 (near the ISHCMC)
